

Tottori City Information Digest in March 2011

■ Garbage Collection Service for National Holiday (Tottori Area)

※Please take out your garbage by 8 a.m. in the morning.

Please contact each general city branch office for garbage information on the area recently merged with Tottori City.

Date	Combustible	Waste Paper	PET bottles	Plastic	Containers Recycling Incombustible small garbage
March 21 st (Mon/Holiday)	Will be collected		Will be collected in the 23 rd (Wed)	Will NOT be collected	

※Dry-Cell Batteries, Fluorescent Bulbs and Tubes

Please separate these things from other garbage and put them into the fully or semi-transparent bags. We suggest that you use original case for fluorescent bulbs and tubes so that it wouldn't break easily. Then take them out on the day for incombustible small garbage collection between April 1st (Fri) and 7th (Thu) this month.

Contact: Tottori City Main Office, Living Environment Division/ Tel(0857-23-2301)

Multilingual International Exchange Support TIA

TIA was established for the purpose of improving the lives of foreign residents in Tottori City. For our current activities, we mainly interpret and translate various information for daily life. Additionally, we hold some events such as visiting tours of tourist attractions in Tottori City and hold exchange events several times a year. If you need a translator or interpreter, you want to learn Japanese, or have any trouble in your daily life, please feel free to contact T.I.A. For more information, please visit our website at URL: <http://tia-link.com/jp/>
